To *walk in newness of life* means to walk in the footsteps of Jesus. 1 John 2:6 says, “*He who says he abides in Him ought himself also to walk as He walked.*” The Apostle John mentions several instances in the book of 1 John where he uses the phrase “*as He is*” meaning, as *Jesus is*. Look up the references below and jot down how you are to follow His example. Elaborate with a specific personal application where you can.

Dead to Sin

Read Romans 6:1–23. In this next section, we'll examine verses 5–14. (The remainder of the chapter, verses 15–23, will be examined in lesson 8.)

Sanctification is the transforming process of God that separates the believer from sin to Himself. It is the *walk in newness of life* that Paul spoke about in verse 4. It is the life-long process of growth that constitutes the gradual move toward maturity, holiness, and purity; one that never ends while we are here on the earth. Sanctification is grounded in a believer's identification with Jesus Christ by faith. From there it involves the willing participation of the believer's heart and mind, coupled with action in order for him/her to be conformed to the image of Christ. Paul will expound on this further in verses 5–23.

The first thing every believer must take hold of is stated in verse 11 (this week's memory verse): "**Reckon yourselves to be dead indeed to sin, but alive to God.**" To *reckon* literally means to *count* or, more specifically, *keep on counting* yourself dead to sin but alive to God in Christ Jesus. This involves action on our part.

1. In order to reckon on something as true, we must know and believe what Paul states in verses 5–7. Rewrite these truths in your own words.
 - a. v. 5
 - b. v. 6
 - c. v. 7

If we reckon—*keep on counting*—all of the above, the result is that we will *know* (v. 6) that our old self was crucified with Him. The word *know* here speaks not of an intellectual knowledge, but an *experiential* knowledge that has been proven out in daily life. The "old self" is the person you were before you knew Christ, when you were still under the power of sin. At the moment of salvation, sin's power over you was broken—it can no longer control you!

Selah . . .

Paul put it beautifully in Galatians 2:20, which is written out for you below. Take a moment to think about each part of the verse, putting it in your own words.

- *"I have been crucified with Christ" –*

- *"It is no longer I who live, but Christ lives in me" –*

- “*And the life which I now live in the flesh I live by faith in the Son of God*” –

- “*Who loved me and gave Himself for me*” –

The moment you became *born again*, God gave you a new nature; He did not change the old nature. In other words, you are just as capable of sinning today as you were before you received Christ as your Savior. But it is extremely important to realize that since you were united together with Christ in His death, you have been freed from sin’s power (Romans 6:7). God provided the way for you to walk into a new life; you now have to keep walking forward!

In verses 8–11, Paul reiterates what he says in verses 5–7.

2. If (since) we believe that we died with Him, what else do we believe? Why?
vv. 8–9

Resurrection life with Christ begins at the moment of salvation and continues on through eternity with the Lord. Jesus, having experienced physical death and becoming victorious over it through His resurrection, cannot die again. Death is not His master!

3. In verse 10, Paul says that in His physical death, Jesus died to sin once for all. How do the following verses in the book of Hebrews reinforce Paul’s point?
 - a. Hebrews 7:27

 - b. Hebrews 9:12

 - c. Hebrews 10:10

Jesus died to sin once for all; but the life that He lives, He lives to God (v.10). The words “He lives” are in the present tense meaning literally that He “keeps on living.” What is true of Jesus Christ is to be reckoned true by those of us who are identified with Him by faith. We too must count ourselves dead to sin but alive to God!

4. Resurrection life has God as its Source and its Goal. Look up the following verses that speak of *your* new life. Make a list of what this means to you.
 - Ephesians 2:5-6

 - Colossians 2:12–13

Romans 6:12–14

Alive to God

Once the Christian has the mind that reckons he/she has died to sin, that belief must be experientially put into practice. Paul puts the responsibility for this on each believer.

1. What does Paul command Christians in verse 12?

Your old self was crucified together with Christ on the cross, but at the same time the sin nature in you was not eliminated or destroyed; sin's ability to control you was done away with—it was rendered powerless. Paul says, *do not let* sin continue to reign in your body as it did before you knew Christ. When sin reigns, it enslaves and people obey its evil desires.

2. Paul becomes even more specific in verse 13; what does he command believers not to do?
 - a. What does he command believers to do?
 - b. See the related verse in Romans 12:1, where Paul states this same thought. How are you to view presenting your body to God? Is this *your* attitude?
3. According to Romans 6:14, what is the reason you should not allow sin to rule over you?

Look Closer . . .

What should motivate you to present yourself to God as a sacrifice? See 1 Corinthians 6:19–20.

- ❖ Who makes this possible? Will you present yourself today?

The completion of our sanctification will take place when we see the Lord Jesus Christ face to face. At that moment we will be like Him, "for we shall see Him as He is" (1 John 3:2).
